PROFESSIONAL EXPERIENCE:

Frontend Developer Team Lead (Nov 2021 - Present)
York.ie

- Results-driven Front End Developer with a proven track record of delivering high-quality web experiences for SaaS applications. Adept at leveraging JavaScript frameworks, particularly ReactJS, to enhance user-friendly websites.

- Managed and contributed to projects at York IE, ensuring effective collaboration, code quality, and meeting delivery timelines.

- Provided constructive feedback and mentorship to foster the professional growth of team members, contributing to a collaborative work environment.

- Proficient in ReactJS, JavaScript, HTML, CSS, LESS, and SCSS for crafting meticulously designed web pages.

- Expertise in responsive design techniques for seamless and engaging user experiences across various devices

- Collaborated closely with back-end developers and web designers to optimize overall usability, promoting effective cross-functional teamwork.

- Thrived in a dynamic work environment, consistently delivering high-quality results within specified schedules.

- Conducted comprehensive usability testing, promptly addressing bugs and optimizing website performance.

- Coached team members through valuable technical and design feedback, fostering a culture of continuous improvement and excellence.

Frontend Developer (Jul 2021 - Oct 2021)
Innovexxia Technologies LLP, India

- Implemented responsive design techniques, ensuring seamless and engaging user experiences across diverse devices for mobile websites.

- Applied proficiency in UI development technologies such as HTML, CSS, JavaScript and ReactJS to create visually appealing and functional user interfaces.

- Developed code for user interfaces, encompassing interactions, responsive layouts, and styling, ensuring a polished and intuitive user experience.

- Contributed to and applied W3DS (Design Standards) to achieve optimal user experience and adherence to established design principles.
- Demonstrated expertise in JavaScript, staying abreast of the latest syntax, with a proficient understanding of React.js, ensuring up-to-date and efficient development practices.
- Designed, tested, and maintained user-facing products with a focus on web performance, security, and data protection. Employed automated test suites and DevOps tools to enhance efficiency and reliability.
